Dear Mr. Ramesh,

This refers to the Modular Cleanroom Supply and Construction project executed by 'Nicomac Clean Rooms Far East LLP' Team at our recently completed design-built Greenfield OSD Pharmaceutical project for esteemed Client M/s. GSK Pharmaceutical Ltd. in Bangalore, Karnataka.

Your company's long exposure in manufacturing HPL Panels along with combination of specialized technical profiles & accessories, and expertise in supply and construction modular cleanroom business for pharmaceutical facilities across the world, has certainly helped us to obtain desirable finishing, quality and performance in our Cleanroom & Lab project.

I would like to congratulate you and your entire team on excellent coordination; quality and safe execution of this assignment.

I look forward to work again with you and with your company for future projects and again.

Good luck.

Sincerely,

Akash Karak
