M/s.Nicomac Clean Room Far East Pvt.Ltd

Plot No.10,IDA Bollaram

Near Miyapur,

Hyderabad - 502325

Dear Mr .Ramesh /Mr. Manish,

This refers to the modular clean room project executed by the Nicomac team for our new injectable block.

I would like to congratulate your team on an excellent coordination with all the agencies and timely execution of the job .

The HPL panels and ceiling along with the combination of the profiles and excellent execution at site has facilitated us to pass the area validation and clear the media fill in the first attempt.

Your company's long exposure to modular clean room business and sterile facilities has certainly put you in an estimable position, and this is evident in the excellent output you have produced.

I wish you the very best, and look forward to many more opportunities of teaming up with you in the foreseeable future.

Good luck and stay in touch.

Sincerely,

For Zydus Hospira Oncology Pvt.Ltd

Vikram Shukla
Head-Operation
